Identifying a mentor is an important part of this program. Please prayerfully consider who you will ask. We encourage you to think of someone other than a family member or small group leader if possible. Once you've made your choice and the mentor has agreed, please have them sign below and give their contact information. Also, have your mentor plan to join us in room 200 (upstairs) during the 1st service on February 3, 2019 for training and to receive materials.

If you cannot think of anyone, we will assist you in finding a mentor; however, finding someone you know and trust makes a big difference.
