

**SUMMER MISSION EXPERIENCE!!
JUNE 23- 26**

February 2019

Dear parents and students,

This summer we will be trying something NEW! Instead of serving in Chicago or Honduras we will be serving closer to home. The trip dates are June 23-26 in Muskegon. We have been invited to serve in several areas of Downtown Muskegon. Projects that we are planning on joining will be at Angel Community Church, Community enCompass and Covenant Hall, a teen homeless shelter.

As we have been praying about where to serve this year, doors continued to open in Muskegon. This will be a STAY IN experience. When we are not working we have been invited to stay at Calvin CRC. They house Serve groups each summer and have offered space to sleep and eat. We will leave from CLC together on Sunday June 23rd and return back to CLC on Wed evening at the end of service experience.

Muskegon is a very diverse area with different socioeconomic backgrounds. The three organizations that we will be partnering with are all deeply committed to transforming lives, families and neighborhoods from the inside out. All three organizations are faith based.

A typical day will start with devotions, group breakfast, three groups working at different work sites such as a community urban farm, construction projects for community housing, Catch Camp, beautification projects and more! In the evenings we will join in on summer activities that Muskegon has to offer as well as utilizing the Calvin CRC facility. Calvin has a gym, lovely grounds, volleyball and space to download/worship.

Cost for the trip is \$200. This will cover food, van rental, trainings, lodging and materials and entertainment. Never let cost stop you from participating! We do have scholarships.

This will be a large trip but I do have a cap. This will mean that you will want to get \$50 as soon as possible to hold your spot. Spots fill up quickly!. Final payment will be May 1st.

<http://www.ghclc.org/give-now/online-giving> or a check made payable to CLC.

Questions or concerns? Please contact Sandy Mast at 616-638-4698 or smast@ghclc.org.

Save my Spot! Please mail to CLC with a deposit.
